

## VISIONS OF THE OASIS

### Danse Orientale aka Raks Sharqui Aka **Belly Dance!**

Belly Dance is appealing to audiences of all types. Our mission is to ENTERTAIN!

We are a troupe of 3-6 Dancers, depending on your needs and dancer availability.

We present a variety of choreographed dances ranging from 2 to 5 minutes.

We have an hour + of show material. "Sets" of 15-20 minutes recommended.

We are also happy to start audience participation to either Arab or American music.

We can place a rectangular Oriental rug to delineate the performance space.

We have 2 rugs: 9 X 12 for a trio and 10 X 13 for 4 -5. We often can dance rugless.

A level smooth surface is required. No shows on gravel or dirt. Dry Grass OK if we must.

We arrive in costume with festive Caftan Cover-ups.

We travel with a high quality powerful portable sound system.

We will need a designated corner for props and personal belongings.

Currently there is no charge, but we ask to be able to display a tip jar.
